

# UGAM CHEMICALS

- COMPANY** : FORD INDIA PVT. LTD., CHENNAI.
- PROBLEM REPORTED** : Heavy rust due to saline weather
- PROPOSED SOLUTION** : UGAM ANTICORROSIVE EPOXY PRIMER AND UGAM ANTICORROSIVE PU TOPCOAT SYSTEM APPLIED to be applied to Steel Structure.
- ACTION TAKEN** : ALL STRUCTURAL STEEL IN THOSE AREAS WERE COATED to avoid corrosion of steel.
- RESULTS ACHIEVED** : Coating was done in 2009 and till date it is not showing any sign of corrosion. Hence they have allotted entire painting work at new plant at Sanand to us in October 2014.
